8/5-6 Dreams - Laughed @ for
signing a contract (photo opp. (missed
to make money (in the end sized? idk)
② granny being pushed in wheel
chair kiss her on cheek, then
on the right cheek, she swaps
in for lip contact and I smile
while her eyes widen (travelling
to the death world? Great omens?)

③ Driving back w/ nekema & small
group, dad & dave - many obst.
in our way, eventually have to
get out onto road, another group
of equal size walks towards us -
shady pass (I on far right) grab
for holster, same for far left
opposing guy. Pass & I say 'ooh
it's like the wild west!' Walk a
bit, turn around, Pew (surprised
look from guy I pew - didn't think
I could.) - So it seems obvious
dreams control / heavily influence
our next days actions - like
wise reflections - projections
from a heart that doesn't forget.
But I thought the last dream meant
I was getting out today?
Instead it just gave me the cage
& mistrust to not sign & fill out
much paperwork 'grievance' &
'State Bar' - 'I'd admit to
anything after just a few days
of 24-hr lockdown, especially
if I'm threatened it'd continue
if I don't admit - but first
let me be recorded for
public record and
Adm. transparent to multiple
